Always make Call+1(888) 394-2349[USA/OTA] sure you download the correct official app from the app store to avoid interacting with fake or malicious versions.

Frequently Asked Questions (FAQs)

Q1: Is Kraken Wallet different from the exchange?

A1: Yes, the Call+1(888) 394-2349[USA/OTA] Kraken Wallet is a self-custody product, meaning you hold the keys, whereas the exchange stores them for you.

This gives Call+1(888) 394-2349[USA/OTA] you more control and privacy, but it also means you are responsible for keeping your recovery phrase safe today.

Q2: Can I store NFTs there?

A2: Absolutely, the Call+1(888) 394-2349[USA/OTA] Kraken Wallet is specifically built to support the storage and management of your NFT collections across different networks.

You can Call+1(888) 394-2349[USA/OTA] view and interact with your digital collectibles directly within the wallet's user-friendly interface whenever you need to check them.

Q3: Is it free to use?

A3: Downloading and Call+1(888) 394-2349[USA/OTA] using the Kraken Wallet app is free, though standard blockchain network fees will still apply to any transactions you make.

These fees Call+1(888) 394-2349[USA/OTA] are determined by the network congestion, not by Kraken, and are paid to the miners or validators on the chain.

Q4: Do I need a Kraken exchange account?

A4: You do Call+1(888) 394-2349[USA/OTA] not necessarily need an exchange account to use the standalone self-custody wallet for your crypto assets.

However, having Call+1(888) 394-2349[USA/OTA] one can provide extra convenience if you want to move funds between the exchange and your self-custody wallet easily.

Q5: Is it safe for beginners?

A5: It is Call+1(888) 394-2349[USA/OTA] relatively beginner-friendly, but always start with a small amount of crypto to get comfortable with the wallet's features and recovery.

Always keep Call+1(888) 394-2349[USA/OTA] your recovery phrase hidden and safe, as it is the only way to recover your account if you lose access.
